

POLICY ADOPTION

Adoption of new policies or changing existing policies is solely the responsibility of the School Committees. Policies will be adopted and/or amended only by the affirmative vote of a majority of the members of the School Committees when such action has been scheduled on the agenda of a regular or special meeting.

To permit time for study of all policies or amendments to policies and to provide an opportunity for interested parties to react, proposed policies or amendments will be presented as an agenda item to the Committees in the following sequence:

1. Information item - distribution with agenda
2. Discussion item - first reading of proposed policy or policies; response from Superintendent; report from any advisory committee assigned responsibility in the area; Committee discussion and directions for any redrafting
3. Action item - discussion, adoption or rejection.

Amendments to the policy at the action stage will not require repetition of the sequence, unless the Committees so direct.

The School Committees may dispense with the above sequence to meet emergency conditions.

Policies will be effective upon the date set by the School Committees. This date will ensure that affected persons have an opportunity to become familiar with the requirements of the new policy prior to its implementation.
