

**PROVIDING FUNDS FOR THE SCHOOLS  
(Outside the appropriated budget)**

A. Funds from Friends of the School Systems

Gifts and donations, whether derived from direct contributions or from fundraising activities, are gratefully and generally accepted by the school districts for the benefit of students and of the school systems in their role as providers of educational services.

B. Funds from Friends of Individual Schools

The School Committees hold the position that PTOs and other parents/groups shall not supply funding for certified personnel positions. The same stipulation applies to materials which are considered essential for the health and safety of students.

Funds for other purposes are given to the School Committees which will then purchase or approve those expenditures. The entire amount must be available before the purchase or hire is made. Funds must cover the entire cost as determined by the Superintendent.

C. Other Gifts

An organization may decide to purchase and loan equipment for use by school groups. Such a decision requires prior approval by the Superintendent.

Corporations may give products or services to individual schools or the school districts with prior approval of the Superintendent.
