

**HEALTH AND SEX EDUCATION
PARENT NOTIFICATION PROCEDURES**

1. Central Office/Principals will notify parents in writing in advance, so that parents may review the materials that will be used. Parents should call the school nurse or Principal in order to review the material.
2. If a parent wants his/her child exempted from participation, the parent must write a letter to the Principal.
3. No child exempted shall be penalized.
4. The school may determine which alternative educational experience will be offered.
5. Any appeal of decisions made should follow the Acton and Acton-Boxborough appeals process.
