

**HEALTH AND SEX EDUCATION  
PARENT NOTIFICATION POLICY**

Pursuant to Chapter 291 of the General Laws of Massachusetts, the School Committees direct the Superintendent to ensure timely parental/guardian notification of any curriculum used in the Acton Public or Acton-Boxborough Regional Schools which primarily involves human sexuality issues or human sexual education.

This policy allows parents/guardians the flexibility to exempt their children from any portion or completely from the curriculum being offered. The Committees want to encourage the flow of information while recognizing the rights of parents.
