

ENROLLMENT OF STUDENTS

The Acton-Boxborough Regional Schools have a standard procedure, available from the Office of the Registrar, for the enrollment of students.

The Acton Public Schools have the following open enrollment policy:

The Acton School Committee strives to provide high standards of educational excellence in all its elementary schools. Since no single teaching method is best for all students, the Committee supports the use of a variety of teaching methods and techniques which will achieve the prescribed curriculum objectives. It follows that parents should have the opportunity to choose the school they think best fits the needs of their children subject to the availability of space and staff.

The School Committee may find it necessary or appropriate to relocate, expand, or contract the available classroom space, or to increase or decrease the number of classroom teachers due to changes in student enrollment, budget limitations, or other reasons. In such situations, parents will be allowed to request reassignment of their students to classes/schools that are not overcrowded. In the event that choices have to be made between reassignment requests, or should the School Committee determine that mandatory reassignment is necessary, the priorities listed in the Enrollment of Students Procedures will be utilized in assigning students. After those accommodations are made, the Committee will attempt to retain existing student groupings as much as possible.
