

## **KINDERGARTEN ENTRANCE POLICY**

The policy and procedures are designed to reduce the age span and therefore, normally, the developmental span in a classroom in order to enable instruction more suitably tailored to the children in the class.

Children reaching the age of five on or before September 1 are eligible and expected to be enrolled in Kindergarten in September of that calendar year.

If a parent feels the child is not ready to enter Kindergarten at the age appropriate time, the parent must make formal written request to the Superintendent of Schools by March 1 of the same calendar year which will be reviewed by a standing review committee of staff. That review procedure may include testing by the school system at the parent's expense.

Children reaching the age of 6 by September 1 are eligible and must be enrolled in school by September of that calendar year.
