

HOMELESS STUDENTS: ENROLLMENT RIGHTS AND SERVICES

To the extent practical and as required by law, the school districts will work with homeless students and their families to provide stability in school attendance and other services. Special attention will be given to ensuring the enrollment and attendance of homeless students not currently attending school. Homeless students will be provided district services for which they are eligible, including pre-school programs, Title I, similar state programs, special education, bilingual education, vocational and technical education programs, gifted and talented programs and school nutrition programs.

Homeless students are defined as lacking a fixed, regular and adequate nighttime residence, including:

1. Sharing the housing of other persons due to loss of housing or economic hardship;
2. Living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations;
3. Living in emergency or transitional shelters;
4. Being abandoned in hospitals;
5. Awaiting foster care placement;
6. Living in public or private places not designed for or ordinarily used as regular sleeping accommodations for human beings;
7. Living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations or similar settings;
8. Migratory children living in conditions described in the previous examples.

The Superintendent shall designate the Director of Pupil Services to be the districts' liaison for homeless students and their families.
