

APPENDIX 1
ACTON-BOXBOROUGH REGIONAL SCHOOLS
EXTRACURRICULAR AGREEMENT - ATHLETICS – R.J. Grey Junior High School

PREAMBLE

This agreement, among students, their parents or guardians and the Acton-Boxborough Regional Schools, is designed to serve several purposes. It is intended to influence students to make wise and legally sound decisions. It is also designed:

- To help ensure the physical and mental health of students.
- To enable student athletes and leaders to set an example of responsible behavior.
- To promote zero-tolerance of under-age (21 years) drinking, as defined by **federal and state laws**, as well as of the use of illegal and harmful chemical substances among our youth.
- To bind the community together in support of its students.

This agreement was first developed by the Massachusetts Interscholastic Athletic Association (MIAA), and was created pursuant to the rules of the MIAA. Our high school and junior high school membership in this association allows our athletic teams to compete in the Dual-County League. To maintain membership, we must adhere to and enforce the MIAA policy.

RULE

During the school year or from the first day of practice, if earlier, a student shall not, regardless of the quantity, use or consume, possess, buy, sell or give away any beverage containing alcohol*, any tobacco product, marijuana, steroids or any controlled substance as defined under Mass. General Laws, Ch. 90D, or inhale the vapors of any intoxicating substance such as glue, nitrous oxide and the like, sometimes referred to as "huffing." This policy includes products such as "NA or near beer".

* The use of wine or an alcoholic beverage for religious observances does not violate this agreement.

PENALTIES

FIRST VIOLATION

When the coach and/or athletic director and/or school administration find that a student has violated the above rule, the student shall lose eligibility to participate in his or her particular athletic activity. The student shall lose eligibility for the next consecutive interscholastic contests totaling 25% of all interscholastic contests in that sport. For the student, these penalties will be determined by the season during which the violation occurs. No exception is permitted for a student who becomes a participant in a treatment program. It is recommended that the student be allowed to remain at practice for the purpose of rehabilitation. All decimal parts of an event will be truncated i.e. all fractional parts of an event will be dropped when calculating 25% of the interscholastic contests in that season. Parents(s)/guardians(s) and counselors will be notified of such finding and the resulting action as soon as possible.

A student charged with violation of the above rule will first be given the opportunity to be heard and to present evidence in his or her defense before a finding for or against a student is made.

CAPTAIN'S RULE

If a captain of a team has been found to have violated the above rule, his or her captaincy will be revoked as well. The revocation of captaincy shall be for one calendar year (12 months) from the date of the violation of the first offense.

SECOND AND SUBSEQUENT VIOLATIONS

If a student is found to have violated the above rule a second or subsequent time, the student shall lose eligibility for the next consecutive interscholastic contests totaling 60% of all interscholastic contests in

that sport. For the student, these penalties will be determined by the season during which the violation occurs. All decimal parts of an event will be truncated i.e. all fractional parts of an event will be dropped when calculating 60% of the interscholastic contest in that season. Parents(s)/ guardian(s), counselors and the ABRHS Student Assistance Team will be notified of such finding as soon as possible.

Upon the finding of a second or subsequent violation, the student may of his/her own volition become a participant in an approved chemical dependency program or treatment program. The student may be certified for reinstatement in MIAA activities after a minimum of 40% of the interscholastic contests in that sport. The director or a counselor of a chemical dependency treatment center must issue such certification. Such a program and certification must be confirmed and approved by the ABRHS Student Assistance Team. All decimal parts of an event will be truncated i.e. all fractional parts of an event will be dropped when calculating the 40% of the interscholastic contest in that season. Penalties shall be cumulative each academic year. If the penalty period is not completed during the season of violation, the penalty shall carry over to the students next season of actual participation, which may affect the eligibility status of the student during the next academic year.

It is recommended that the student be allowed to remain at practice.

VIOLATION DURING THE OFF-SEASON (SUMMER NOT INCLUDED)

If a violation occurs in the off-season during the school year, the student shall lose eligibility for the next two interscholastic events of the subsequent athletic season in which the student is a participant.

A second or subsequent violation in the off-season will be dealt with in the same manner as a second or subsequent violation during the active season.

The captain's rule also applies to violation in the off-season.

The first time a student athlete signs this agreement, he or she is considered to be bound by the agreement for his or her entire athletic career at the Acton-Boxborough Regional School System. However, each year the student athlete and parent must sign the agreement as reaffirmation of acceptance of the terms of the agreement.
