

McCarthy-Towne School School Improvement Plan Goals for 2009-10

Goal #1:

Focus on advancing the mathematical concepts and skills of students at McT. The faculty will:

- Implement the effective use of the new Scott Foresman curriculum materials;
- Continue monthly grade level discussions and study to refine understanding of the level of students' concept/skill mastery and how it is accurately assessed.

Goal #2:

Continue to evaluate the implementation and practice of McT values during the period of administrative transition. We will:

- Ensure that McT values are supported and remain the foundation of the school's programs;
- Continue and enhance communication of McT values to the parent community, school district and administration;
- Encourage and develop communication of McT values to the greater Acton community.

Goal # 3:

Oversee the implementation of the Wellness Policy. A sub committee of the School Council in communication with the School Council will:

- Develop guidelines for each standard (Nutrition Education, Physical Activity and other school-based events;)
- Monitor and evaluate the effectiveness of the Wellness Guidelines.

Goal # 4

Explore ways in which McT can expand its place in the global community

- Explore the possibilities of a World Language Program;
- Continue to enhance and improve the integration of international families into the McCarthy-Towne Community.
- Continue to explore and develop outreach and connections with the global community.
