Destiny Library Software: How To Access Destiny

Open the internet and go to <http://library.ab.mec.edu>

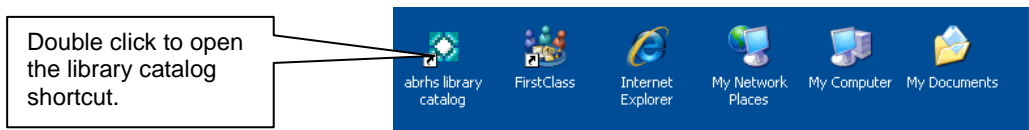

OR

Open the internet and go to <http://ab.mec.edu>; click on "Destiny-In School Access" under popular pages (left side of the page).

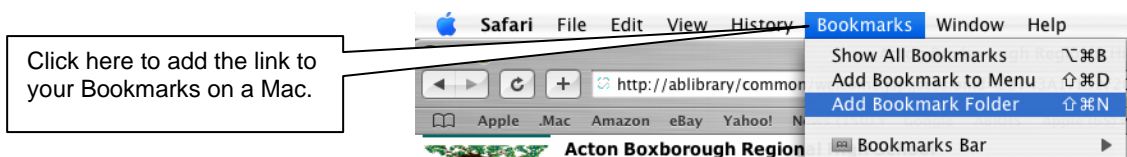

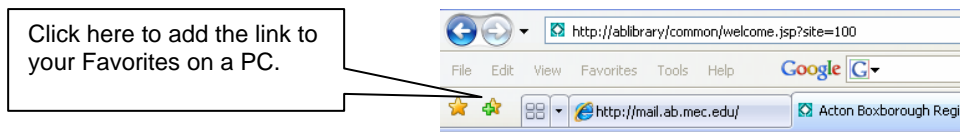

OR

Open the shortcut found on the desktop of any **school library** computer.

Bookmarks and Favorites

Once you open the library page for your school, you can add it to the Internet Favorites on your computer for quick reference. Note: Bookmarks or Favorites are only saved on the computer that you are currently using.

For more information about using Destiny software, please see your library assistant.
