Superintendent of Schools Bill Ryan is pleased to announce the appointment of Nancy Kolb as interim principal of the McCarthy-Towne School.

Nancy began her teaching career in Acton as a classroom teacher at McCarthy-Towne. After seven years of classroom teaching there, Nancy became a special educator, also at McCarthy-Towne, and later accepted the position of Elementary Pupil Services Department Chairperson. She held her most recent position, Director of Pupil Services for both the Acton and Acton-Boxborough Schools, from 1993 - 2006. Since she ‘retired’ in 2006, Nancy has worked for several educational collaboratives, facilitating professional development for teachers, counselors and support staff in a variety of subjects.

Nancy has all the qualifications and experience that the school district and McCarthy-Towne would like to see in a principal, and we welcome her to this one-year interim position at the school.

Nancy will work with Marcia FitzGerald to transition in the spring and will assume her official duties on July 1, 2008.
