

“America's present need is not heroics, but healing; not nostrums but normalcy; not revolution, but restoration.”

Warren G. Harding (1865 - 1923), *Speech in Boston, 1920*

Grey Matters

Volume 2 November 8 - 12, 2004 Number 10

It seemed like the string of “Reality TV” was never going to end! Now that the playoffs, the World Series, and the elections are over, I hope everyone used this weekend to get some much needed rest.

My November drop-in hour is this Tuesday evening from 6 – 7PM. Please feel free to swing by to ask a question, share a concern, or just to chat.

Friday, November 12th, marks the end of the first term. Parents, please remind your child to check with his/her teachers to be sure that all assignments have been submitted while there is still time. Every little bit counts! You should also be on the look out for the report cards, which are scheduled to be brought home by your child no later than November 23rd. When you get the report card, please review the demographic information and report any mistakes (i.e. misspellings, incorrect address, etc) to the RJG main office. If there is a question on a grade or a comment, please contact the teacher directly by phone, note or email.

While the March 9th date of Project Wellness may seem a long way off, an amazing amount of work is being done behind the scenes to make sure this year’s event is even better than the past successes. One task that never ends is fund raising. In that regard I am pleased to announce that Project Wellness '05 was awarded a \$500 grant from the Mobil Alliance Fund. Sponsoring our award was East Acton Mobil owner, Ed Booth. Project Wellness is funded completely outside of the appropriated budget and is made possible with community partners like East Acton Mobil.
