Grey Matters

Volume 2 February 28 – March 4, 2005 Number 24

Welcome back. I hope that everyone took the opportunity to spend quality time with your families and had a restful and enjoyable break.

The next time you are in the RJG lobby, take a moment and look at the Unity Flags now hanging in the rotunda. In a team based activity designed by Art Teacher Holly Vlajinac, students created small drawings and/or collages that represented themselves, their school, or their community. Members of the Art Club then took all the individual works and created team flags identified by their team colors. The individual pieces are wonderful and the combined effects of the flags are nothing short of amazing.

As you know, The Acton Boxborough Regional School Committee approved our B budget recommendation (if the override fails), which calls for the elimination of 6.3 teachers, .3 of an assistant, the intramurals program, all clubs and student activities, and one of the Assistant Principals. Under this model, which we are calling the Split School Model, 7th grade will continue to operate under the teaming structure, but the 8th grade will function as a straight junior high.

I will be giving a complete presentation regarding the impact of a failed override to all parents and guardians on Monday, March 7th and Thursday, March 10 in the R.J. Grey Library beginning at 7P.M. Please join me if you have an questions or concerns regarding the Split School Model.
