Number 16

I hope everyone had a safe and enjoyable "snow day." It started out somewhat mild but ended with a blast, leaving us with lots of snow and a beautiful winter landscape. Time for some serious sledding!

The snow day also resulted in postponement or cancellation of the December 7<sup>th</sup> grade dance. We will try to reschedule if possible. I will get back to everyone later in the week with further information.

Last Thursday was the first of three parent/guardian and teacher conference sessions (12/8, 12/15, and 1/5). The afternoon was very successful. Parents and guardians learned more about their child's progress and performance and our teachers were able to share information. This coming Thursday, December 15th, school will again be dismissed at 10:40AM for the second parent/guardian and teacher conference session.

During all three conference sessions, please be aware that we are distributing a survey to gather information on parent/guardian satisfaction with our conference structure. Please pick up a survey in the lobby on your way to your conference and remember to complete it and drop it off before you leave for the day. An electronic version of the survey will be made available to parents who are not attending one of our conference sessions.

Tuesday evening, December 13th, from 6 – 7PM, will be my next drop-in hours. As always, feel free to come by to share your thoughts about how things are going or just to say hello.

Have a wonderful week.
