Another beautiful weekend! The Hardimon clan spent most of our time divided between softball and soccer games, both of which are far more enjoyable when it's warm and sunny. I even snuck in a little early morning golf. I hope you all were able to enjoy the weather as well.

As you know from the email I sent on Friday, there was a small fire in the auditorium at the Jr. High on Friday morning. The sprinkler system did its job effectively and the fire was extinguished quickly. I would like to reiterate how proud I was of the staff and students of RJ Grey. Everyone stayed calm and followed the emergency procedures we have practiced all year. While I hope we never have a need to deal with an emergency again, it is reassuring to know that the RJG community is well prepared.

The 8th Grade class picture is scheduled for tomorrow, May 2, at 1PM. Students who wish to order a copy of the picture need to submit a completed order form with a check no later than 1PM on Tuesday.

This Friday, May 5th, the Student Council is sponsoring the last 7th grade dance of the year. In recognition of a successful year, this dance will be held in the evening, from 6:30 – 8:30PM. Tickets go on sale in homeroom this week. As always, this event is for RJG 7th grade student only. Please remember that tickets will not be sold at the door.

Due to a scheduling conflict on May 9th, I am rescheduling my next “Drop-In Hour” to Monday, May 8th, from 6 – 7PM. As always, please feel free to stop by to share any thoughts, concerns, or to help me figure out why I have developed a nasty hook on the fairway.

Have a great week.
