Number 28

Recognizing that even mentioning the weather may evoke an April blizzard, I'll take a risk and say that spring seems to have arrived. It's time to put away the snow blower and put those golf clubs in the trunk! I hope everyone had a chance to enjoy the beautiful weather.

Any 7th grade student who missed the English Language Arts Long Composition section of MCAS is scheduled to take the official “Make-up Long Composition” today, Monday April 2nd. With that out of the way, students get a brief reprieve until the next wave of MCAS testing, scheduled to begin the week of May 14.

Just a reminder that Term 3 ends on April 9 with report cards expected to go home right after the April vacation.

Please don't forget that school is closed for Good Friday, April 6.

Have a great week.
