Number 21

If ever the Super Bowl was played in the fourth quarter, this was it. The message to students must certainly be, “Anything can happen--never give up.” It was asking a lot to have a perfect season, and the Pats must be commended for their outstanding performance. There is no shame in 18 and 1. With the Celtics on a romp of the NBA and Red Sox season just around the corner, there are still good times in Boston sports ahead.

Second term report cards will be distributed next week. Parents and guardians, please be sure to review this important document with your child. It is a great opportunity to offer praise for successes and support for those areas in need of improvement. While formal conferences are behind us, please remember that teachers are available by phone or email to address any questions or concerns you may have. When receiving feedback, students always benefit when home and school work together as a team.

As a reminder, you may want to update your calendars with these important February dates:

February 12	Principal’s Drop-in Hour (6PM - 7PM)
February 14	Blue and Gold Day
February 18-22	Winter Break: No school
February 29-March 9	RJG Junior High Musical

Have a great week.
