Congratulations to the cast and crew of High School Musical for six outstanding performances. Beyond the pleasure of performing for friends, family, and the AB community, the students learned once again that hard work brings not only excellence but joy.

Some of you may receive interim reports this week. As I always say, an interim report does not necessarily mean a failing grade, and sometimes an interim report can be sent home to communicate good news! In general, however, interim reports are typically sent home mid-term when changes in behavior or performance need to be communicated. Should you receive an interim report and have related questions, please contact the classroom teacher directly.

Tonight from 7:00PM – 8:30PM in the RJG Auditorium, we will be holding the last of this year’s Parent Forum series. Dr. Elizabeth Englander, the Director of the Massachusetts Aggression Reduction Center at Bridgewater State College, will be presenting on issues pertaining to cyberspace and internet safety:

MySpace, Facebook, IM, Blogs – what is everyone talking about? We live in a digital age and our children are often actively engaged, sometimes beyond our understanding. Hear about the benefits and disadvantages of the cyberworld. Learn how to develop a set of strategies to educate our children and raise awareness about cybersafety and cyberbullying.

This Friday is the next 7th Grade Social. Tickets will be on sale all week in homerooms and as always, this event is for current RJG 7th graders only. Parents and guardians, please remember to pick up your children promptly at 4:30PM at the Blanchard Gym entrance. Your cooperation is greatly appreciated.

Have a good week.
