Growth and Development Series for Parents of 5th and 6th Graders

This program is intended to compliment the video series that 5th and 6th graders watch in school.

PART I

May 9th 7:00 – 8:30
Junior High Library
Dr. Carolyn Imperato, Wellness Coordinator
APS and ABRSD

Dr. Imperato will lead a discussion on how to talk to pre-teens about risky behaviors and provide facts and information parents need to do this.

PART II

May 23rd 7:00 – 8:30
Junior High Library
Dr. Jessica Rubinstein, School Physician
Acton Medical Associates

Dr. Rubinstein will discuss the developmental, physical, emotional, and social changes that pre-teens go through at this age and answer questions.

Please contact Carolyn Imperato via email cimperato@mail.ab.mec.edu with any questions or concerns.
